Q: Why PG MLK Championship?

A: This event provides exposure to college coaches and a chance to build your resume at a legitimate event respected by college coaches and pro scouts for your future as a college student-athlete and/or professional player. In addition to this, you will play on some of the best fields in the country.

Q: I play on a local travel team; can I still participate in this event?

A: Yes, we accept players from all teams and are willing to work with other coaches as well to provide the best opportunity for the player.

Q: Are players expected to travel and stay with team or with parents?

A: We encourage players to travel and stay with parents, relatives, teammates or another trusted adult. Please contact us if you need help with travel arrangements.

Q: What other services does Inside Pitch offer?

A: Inside Pitch offers private and group lessons. All lessons are at the Lab - 1801 Turvey Rd.. Players should consider Inside Pitch Baseball Academy as an additional resource for referral and reference to any interested college or scout. We have helped place over 170 players into colleges across the US and Canada.

Q: I already have Inside Pitch gear. Do I have to pay for this again?

A: Fees include hat and dri-fit jersey. Dri-fit jerseys are unique each year. If you already have a white IP hat we can adjust the price accordingly (\$25 off your fees). Players also need to supply: white pants, black belt, red socks/stirrups, batting helmet and wood bats.

Q: What do the player fees go towards?

A: Majority of the fees goes towards insurance, tournament entry, coaches' travel, field/facility rental and players gear. In addition to this you will be receiving a PG Profile that collegiate and pro scouts have access to.
